USA COMPANY would like to present your new prescription program, powered by BeyondRx. By enrolling in one of our groups, you will now be able to save on the cost of prescription drugs. Your new prescription card is attached below. With this card, saving money is simple. Just present your card when you have a prescription filled at one of the pharmacies participating in our network. Our program covers a wide range of commonly used prescription drugs. As always, using a generic drug tends to save you more money, but the program offers savings on many brand-name drugs as well. If you ever have any questions regarding your service, call our customer help desk toll-free at (866) 247-9996.

WELCOME USA COMPANY MEMBERS

Helpful Reminders

- Carefully remove your member ID card from this document.
- Keep this card with you and present it to a participating pharmacy with each prescription request.
- Our website, www.beyond-rx.com, is a great reference for any questions you may have, as well as our help desk, (866) 247-9996.
