

Pharmacy NPI/NCPDP submission:

As of May 4, 2007, BeyondRx accepts the pharmacy National Provider ID (NPI).

- Field 201-B1 is the field in which either the NCPDP or NPI should be submitted.
- Field 202-B2 should be submitted with 07 if the pharmacy is sending a NCPDP or 01 if the pharmacy is sending a NPI.

For **835s** we will continue to submit the NCPDP as the Service Provider ID unless specifically requested to substitute this with the NPI.

Physician NPI/DEA submission:

At this time, the NPI is not allowed for submission in the claims. This is due to the fact that there is not yet a full DEA/NPI crosswalk file available.
