FOR YOUR INFORMATION: Generics should be considered the first line of prescribing. In the event a generic equivalent becomes available for any of the brand drugs on this list, the brand drug will no longer be considered a preferred brand drug but will be a non-preferred brand drug and benefits will process accordingly. This Drug List is not inclusive nor does it guarantee coverage, but represents a summary of prescription drug coverage. The participant's specific prescription drug benefit plan may have a different co-pay for specific products on this list. Unless specifically indicated, drug list products will include all dosage forms. These products may or may not be covered depending on the individual discretion of your plan.

Questions about this Drug List may be answered by a Customer Service Representative on our resource line at: 1-866-247-9996, opt.2. Participant privacy is important to us. We hold any and all information about our participant's health in confidence.
